Safety Surfacing Positive Grip System

Belzona® 4411 (Granogrip) is a hard wearing safety grip system which creates a durable, non slip walking surface on a range of surfaces including steel, concrete, quarry tile or wood.

Belzona® 4411 (Granogrip) will:

- Reduce the potential for accidents
- Protect from chemical attack
- Bonds strongly to a wide range of substrates
- Provide an aesthetically pleasing finish
- Provide positive grip
- Safety colours to identify hazards

Belzona® 4411 (Granogrip) can be applied without the need for specialist tools and provides a durable non-slip surface with excellent adhesion, wear and chemical resistance.
